You can't show the way

A hollow life breeds mockery

[Chorus]

Say what you will, but live what you say
Truth isn't just spoken—it's walked every day
The world is watching what you proclaim
Do they see Christ—or only His name?

Light can't shine through a covered flame
Gm

Faith without fire is only a claim

Bb
If He is Lord, then let it be shown

Bb
Not just in words—but the life that you own
Eb Gm7 Eb

How can they know that God is true
Gm
From broken lives that wear His hue?

Who cling to things they should forsake

They're watching for a living proof
Gm
A life aligned, a rooted truth

Not polished words or empty sound

But faith that stands when none's around

[Bridge]

Eb
For life's honor and for God's fame

All sin you must disdain

The mask the hypocrite wears in pride

Is seen by the world—you cannot hide
